K-8 CAP's Bullying Prevention Program

CAP's Bullying Prevention Program is an initiative of New Jersey Child Assault Prevention (NJ CAP) for schools (grades K – 8) and is funded through the NJ Department of Children and Families. The most effective prevention program for any school or district is one which involves the entire school community. As such, CAP's Bullying Prevention Program offers a series of workshops for staff, parents and students to assess the specific nature of bullying in the school, to train adults in appropriate intervention strategies and to improve student interaction.

Applications must be submitted via email to njcap.applications@gmail.com

This application is to be completed for each participating school in the district. The School Principal will complete the application, review and sign Implementation Timelines and Contract Criteria, and return to **CAP State Office**, by **August 30, 2020**.

Schools applying for CAP funding must provide a minimum of **50%** of the total cost of implementation.

The district match may only be waived if there is a demonstrable financial need, eligibility for urban aide funding or other related factors. In these circumstances, a waiver letter on school district letterhead from the Chief School Administrator, must accompany this application. **Exemption requests will not be approved without the waiver letter.**

First time applicants will be prioritized for funding.

Depending on availability of funds, the school may be responsible for additional funding.
